## BACKGROUND

Over the years Siyabongalebo has nurtured and developed our capabilities and experience in supplying a wide range of electrical and mechanical equipment. With over 13 years experience in supplying quality electrical and mechanical equipment we have focused on establishing a strong relationship with our clients which in turn has increased our footprint in several provinces, demonstrating consistent growth over the years.

## MISSION

To provide and deliver a full range of electrical equipment in the power utility industry of South Africa.

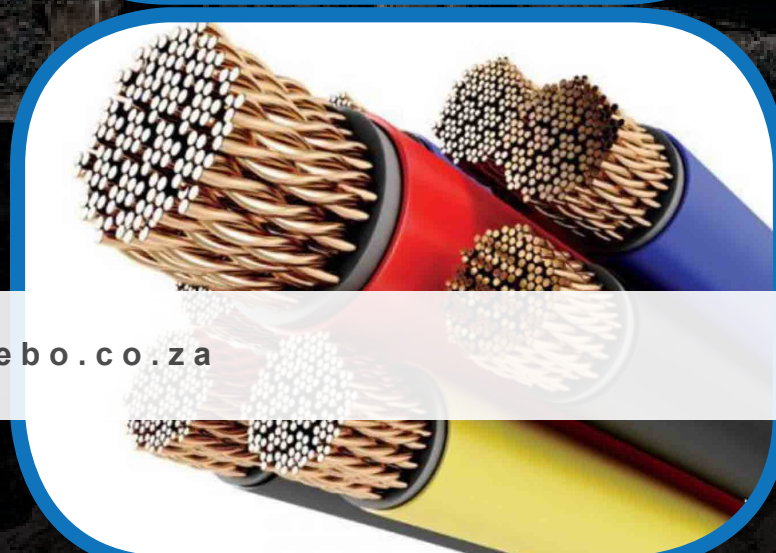

With our focus on electrical transformers, cables, switch gears, circuit breakers, contactors and repairs on electrical transformers.

We aim to provide our clients with the best electrical systems of the highest standards through our total commitment and quality service we ensure the best performance and availability at all times
